Residential Reactivation Program

The Residential Reactivation Program is designed to encourage the reactivation of existing service lines that are scheduled to be cut and capped. The program provides for a supplemental incentive over and above the Residential Appliance Replacement Program for service lines that have been inactive for 12 months.

Service Reactivation: \$200

DOCUMENTATION NEEDED from customer and/or contractor to process incentive:

- ▶ Receipt(s) of Natural Gas appliances purchased and installed
- ▶ Verification of inactive service line on property
